DETAILED ACTION

Allowable Subject Matter

1. Claims 1-2, 5, 7-13, 17-33, 54, 58, and 60-61 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art does not teach or fairly suggest that wherein the cellular network includes a plurality of public IP addresses and the wireless local area network includes a plurality of private IP addresses, and wherein the router software component of the hand-held device, for enabling communication between one or more devices connected to one or more cellular networks and one or more devices connected to a wireless local area network, translates a first IP address in the plurality of public IP addresses to a second IP address in the plurality of private IP addresses, as specified in independent claim 1.

The prior art does not teach or fairly suggest that wherein the router software component of the hand-held device, connected to managing processing device and connected to a wireless local area network, maintains a first IP session link with a first cellular network in the one or more cellular networks and a second IP session link with a second cellular network in the one or more cellular networks, as specified in independent claim 54.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
